## Buses, Harrell school topics

Wallace Peterson, old Harrell  
was a good disciplinarian and  
teacher and these parents want  
him retained as he was a  
good influence on their chil-  
dren.

An area of dispute arose be-  
tween the board and the parents  
concerning the duties of a  
school principal. Robert F.  
Lodner, county superintendent,  
in reply said that a principal's  
duties were first to his school  
board, second to his superin-  
tendent, third to his faculty and  
fourth to his students.

"We have to educate a child  
mentally, spiritually and phy-  
sically," Lodner said.

Another parent replied they  
were interested in education  
first and athletics second.

Edward P. Orte, board presi-  
dent, told the parents their  
position would be given every  
consideration but as it was not  
customary for trustees to act  
on any petition the moment it  
was received he would advise  
his board to take such under  
advice and discuss it at the  
next session. "We need time to  
check these signatures out be-  
fore taking any action," Orte  
said.

Trustees on March 26 had  
appointed Donice B. Knight as  
principal at North Central High  
School to replace Harrell who,

## Chamber merchants call city confab on streets

Interested merchants are  
being invited to the meeting. An  
open discussion period is  
planned after the formal agenda  
is completed.

Meanwhile commission  
council consulted Tuesday  
night with W. S. Goldman, its  
engineer for the street im-  
provement program. Mayor John  
Scalfide said they received a  
report on information develop-  
ed so far, covering scope of  
the work, preliminary cost es-  
timates and possible sources  
of revenue. Scalfide said en-  
gineering work is well along on  
improvements to the arterial  
streets which will be financed  
by the bond issue.

Questions to be submitted  
to the city fathers were drafted  
by merchants committee Mon-  
day night.

Six questions, each in  
several parts, are to be pre-  
sented. They deal with plans  
for street improvement under  
the recent \$50,000 bond issue,  
which is contemplated toward  
Main Street and provisions for  
off-street parking in the beach-  
front downtown area.

## MTF fires 1st

Worked  
With just six weeks to go be-  
fore a 150 second mid-duration  
firing test this was the third  
from Mississippi Test Facility  
on Saturday morning when in  
the cold light of dawn for 15  
breath-taking and ground shak-  
ing seconds the first static firing  
of an S-II - Saturn V rocket  
stage was carried in the history  
book.

At 7:27 a.m. Central Stand-  
ard Time engineers success-  
fully test fired the first live  
bird over hauled in the signa-

tic Saturn V rocket component  
test stands which, with their  
supporting facilities, were  
nearly three years in the build-  
ing at a cost of over \$300  
million.

Creating one million pounds  
of thrust the S-II rocket com-  
ponent, with its five J-2 engines  
fed on liquid hydrogen and  
oxygen, proved that the first  
stage of the Saturn V rocket  
was ready to move from the  
test stands to the launch pad.

Starting their live count-  
down at 7:45 p.m. Friday and,  
with only four minor holds,  
making a success of this first  
attempt to conduct a static  
firing at MTF, engineers took  
approximately 1,100 readings  
from the smoke belching rocket  
section for computation and  
analysis before their next test  
of probably 150 seconds in about  
three weeks.

With everything ticking like  
a clock a full countdown takes  
about 11 hours and 41 minutes.  
As stated in the official

release after the cheers had  
died down, "Today's static test  
was that of the S-II-T all sys-  
tem test version of the second  
stage of the Apollo-Saturn V  
space vehicle and largest and  
most powerful liquid hydrogen  
rocket."

"Although the one-million  
pound thrust S-II rocket was  
fired for only a few seconds,  
it demonstrated the readiness  
of the \$300 million rocket pro-  
ving ground to assume its role  
in this nation's space explor-

## Parents club entertained by pupils at OLG

Pupils of Our Lady of the Gulf Parish School presented the entertainment when the Parents Club met April 21. Glen Tice, head director of St. Stanislaus College, led the club, which had about 10 members.

John Gorman, the young musician who presented the program, was assisted by his brother, David, and by other pupils. The program included a variety of songs and instrumental pieces.

The club's next meeting will be held on May 19. It is expected that the program will be equally entertaining. The club is a voluntary organization of parents who meet regularly to discuss school matters and socialize.

During the business session, Mrs. James J. Hannon reported on the progress of the club's fund-raising efforts. She announced that the club has raised \$1,000 for the purchase of new playground equipment for the school.

**DRESS REVIEW** - Two ladies of Waveland Home U.S. Marines Club, Mrs. Maurice George, center, and Mrs. Mary Sallier, right, captured first place blue ribbon in Street Wear Division of Dress Review presented at Agricultural Center last week. # PLAN OF DESEGREGATION

## PLAN OF DESEGREGATION

### FOR THE

## BAY ST. LOUIS MUNICIPAL SEPARATE SCHOOL DISTRICT

of Hancock County adopted by the Board of Trustees and approved by the United States Department of Health, Education and Welfare, Civil Rights Act, 1964.

This notice is made available to inform you about the desegregation of our schools. Keep a copy of this notice. It will answer many questions about school desegregation.

**1. Desegregation Plan in Effect**  
The Bay St. Louis Municipal Separate School District of Hancock County is being desegregated under a plan adopted in accordance with Title VI of the Civil Rights Act of 1964. The purpose of the desegregation plan is to eliminate from our school system the racial segregation of students and all other forms of discrimination based on race, color, or national origin.

**2. Thirty-Day Spring Choice Period**  
Each student or his parent, or other adult person acting as parent, is required to choose the school the student will attend next school year. The choice period will begin on April 28, 1966 and close May 27, 1966.

**3. Explanatory Letters and School Choice Forms**  
On the first day of the choice period, an explanatory letter and this notice will be sent by first-class mail to the parent, or other adult person acting as parent, of each student then in the schools who is expected to attend school the following school year. A school choice form will be sent with each letter, together with a return envelope addressed to the Superintendent. Additional copies of the letter, this notice and the choice form are freely available to the public at any school and at the Superintendent's office.

**4. Returning the Choice Forms**  
Parents and students, at their option, may return the completed choice forms by hand to any school or by mail to the Superintendent's office, at any time during the 30-day choice period. No preference will be given for choosing early during the choice period. A choice is required for each student. No assignment to a school can be made unless a choice is made first.

**5. Choice Form Information**  
The school choice form lists the names, locations and grades offered for each school. The reasons for any choice made are not to be stated. The form asks for the name, address and age of the student, the school and grade currently or last attended, the school chosen for the following year, the appropriate signature, and whether the form has been signed by the student or his parent. Any letter or other written communication which identifies the student and the school he wishes to attend will be deemed just as valid as if submitted on the choice form supplied by the school system. The names of students and the schools they choose or are assigned to under the plan will not be made public by school officials.

**6. Course and Program Information**  
To guide students and parents in making his choice of school there is enclosed in the notice a list of courses which are offered only at certain schools together with the names of the schools at which the special courses are offered. If any additional information is required concerning these special courses, please contact the administrative office of the Bay St. Louis Municipal Separate School District. If a student desires to be enrolled in a course not offered in all schools in the system during the year commencing September, 1966 he shall have the right to apply for enrollment in the particular school offering the special courses even though the particular grade in which he is enrolled is not a desegregated grade for the school year commencing September, 1966.

**7. Signing the Choice Form**  
A choice form may be signed by a parent or other adult person acting as parent. A student who has reached the age of 15 at the time of choice, or will next enter the ninth or any higher grade, may sign his own choice form. The student's choice shall be controlling unless a different choice is exercised by his parent before the end of the period during which the student exercised his choice.

**8. Processing of Choices**  
No choice will be denied for any reason other than overcrowding. In cases where granting all choices for any school would cause overcrowding, the students choosing the school who live closest to it will be assigned to that school. Whenever a choice is to be denied, overcrowding will be determined by a uniform standard applicable to all schools in the system.

**9. Notice of Assignment, Second Choice**  
All students and their parents will be promptly notified in writing of their school assignments. Should any student be denied his choice because of overcrowding he will be promptly notified and given a choice among all other schools in the system where space is available.

**10. Students Moving Into the Community**  
A choice of school for any student who will be new to the school system may be made during the spring 30-day choice period or at any other time before he enrolls in school. An explanatory letter, this notice and the school choice form will be given out for each new student moving into the community. The letter will be given out for each new student moving into the community. The letter will be given out for each new student moving into the community.

**11. Students Entering First Grade**  
The parent, or other adult person acting as parent, of every child entering the first grade, is required to choose the school his child will attend. The choice will be made under the same free choice procedure used for students new to the school system in other grades, as provided in paragraph 10.

**12. Priority of Late Choices**  
No choice will be given after the end of the spring 30-day choice period.

may be denied for any reason other than overcrowding. In the case of overcrowding, choices made during the 30-day choice period will have first priority. Overcrowding will be determined by the standard provided in paragraph 8. Any parent or student whose first choice is denied because of overcrowding will be given a second choice in the manner provided for in paragraph 9.

**13. Tests, Health Records and Other Entrance Requirements**  
Any academic tests or other procedures used in assigning students to schools, grades, classrooms, sections, courses of study, or in regard to race, color or national origin. No choice of school will be denied because of failure at the time of choice to provide any certificate, birth certificate, or other document. The student will be tentatively assigned in accordance with the plan and the choice of credit, and promotion procedures will not be applied in such a manner as to hamper freedom of choice of any student.

**14. Choices Once Made Cannot be Altered**  
Once a choice has been submitted, it may not be changed, even though the choice period has not ended. The choice is binding for the entire school year to which it applies, except in the case of (1) compelling hardship, (2) change of residence to a place where another school is closer, (3) the availability of a school designed to fit the special needs of a physically handicapped student, (4) the availability at another school of a course of study required by the student, which is not available at the school chosen.

**15. All Other Aspects of Schools Desegregated**  
All school-connected services, facilities, athletics, activities, and programs are open to all on a desegregated basis. A student attending school for the first time on a desegregated basis may not be subject to any disqualification or waiting period for participation in activities and programs, including athletics, which might otherwise apply because he is a transfer student. All transportation furnished by the school system will also operate on a desegregated basis. Facilities will be desegregated, and no staff member will be his position because of race, color or national origin. This includes any case where less staff is needed because schools are closed or enrollment is reduced.

**16. Attendance Across School System Lines**  
No arrangement will be made, or permission granted, by this school system for any students living in the community to attend school in another school system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin. No arrangement will be made, or permission granted, by this school system for any students living in another school system to attend school in this system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin.

**17. Violations To Be Reported**  
It is a violation of our desegregation plan for any school official or teacher to influence or coerce any person in the making of a choice or to threaten any person with penalties or promise favors for any choice made. It is also a violation of Federal regulations for any person to intimidate, threaten, coerce, retaliate or discriminate against any individual for the purpose of interfering with the free making of a choice of school. Any person having knowledge of any violation of these prohibitions should report the same immediately by mail or phone to the Equal Educational Opportunity Program, U. S. Office of Education, Washington, D. C., 20202 (phone 202-922-0333). The name of any person reporting any violation of the desegregation plan or other discrimination based on race, color, or national origin in the school system is also a violation of Federal requirements, and should likewise be reported. Anyone with complaint to report should bring it to the attention of local school officials, unless he feels it would not be helpful to do so. If local officials do not correct the violation promptly, any parent familiar with the facts of the violation should report them immediately to the U. S. Office of Education at the above address or phone number.

**18. Transfers by Students in Grades five, six, eight and nine can be Reached by Plan**

The above grades will not be generally reached by the desegregation plan until the fall of 1967. However, a student entering any one of these grades in the coming school year, or his parent or other adult person acting as parent, may apply for transfer to any school in the school system. The application will be granted if:

- The student wants to take a course of study for which he is qualified, and which is not available in the school he would otherwise attend on the basis of his race, color, or national origin; or
- The student wants to attend the same school or attend a center as a brother, sister, or other relative living in his household who is attending school there as a result of the desegregation plan, and the school offers the appropriate grade; or
- The student would otherwise be required to attend school in another school system on the basis of his race, color, or national origin; or
- In case of compelling hardship; or
- The student meets the regular requirements, having nothing to do with race, color, or national origin, used by this school system in permitting students to transfer from one school to another. The regular requirements of this school system for student transfers are as follows:

A transfer application form will be sent to each student in grades five, six, eight and nine. A transfer application may be filed on this form or by a letter. Extra copies of the form may be filed on as soon as feasible after a student has information which justifies making an application.

In addition, all students who are entering this school system under the plan will be assigned to a school under the procedures which will be followed in the fall of 1967.

## 2 car wreck sends 3 to hospital

Four Bay St. Louis residents were injured, three seriously, in a two-car collision on U.S. 90 at Avenue B Street at 7:10 p.m. last Friday.

Joe R. McNeal, 17, of the Mississippi Highway Patrol reports that a westbound vehicle driven by J. Andrew Ireland attempted to make a left turn across the path of a eastbound vehicle, driving by George El Brendado.

Brendado, 41, of St. Louis and two passengers, Leo El Brendado, 19, and George Hamner, were taken to Hancock General Hospital. Hamner was treated

## Yeggs steal \$700 from Legion safe

Approximately \$700 was stolen from a safe in American Legion Room 200 on Sunday night.

Fred Foyard reported the burglary to City Police Chief LeRoy Garrison about 8 a.m. Sunday. Garrison could not enter the building without a search order. The thief or thieves then climbed to the main floor where the safe was located by three feet into the air duct, climbing through an air duct.

According to Garrison in the investigation are Sheriff Sylvan Latham, Jr., and Mississippi Officer Paul Hale of Gulfport

for multiple lacerations, contusions and abrasions and released.

Brendado and George El Brendado are now listed in good condition. Brendado was treated for neck injuries, El Brendado for scalp lacerations and contusions. Leo El Brendado is in fair condition after having surgery for removal of his spleen and a laceration of the liver.

A 1960 Chevrolet youth, 17 year old Michael D. Perrone, was taken to Crochey Memorial Hospital in Piquette by fire after suffering a dislocated and fractured left arm in an accident on Highway 43 at 4 miles from Kila at 12:33 a.m. Sunday.

McNeal said Perrone's car was parked across the road with the door open when struck by a 1959 Pontiac operated by O.C. Williams, 43 year old Piquette Negro. Perrone's car was damaged, damaged to Williams' car estimated at \$500.

Perrone was charged with improper parking.

MTF FIRING IN STAMPS - Bay St. Louis Postmaster Andy J. Becker, seated left, gets bundles of about 300 envelopes especially marked to note first static test firing at Mississippi Test Facility. Delivering them early Saturday are Wilson W. Weber, right, president of Hancock County Chamber of Commerce which assisted with first day covers, and Howard Carr of St. Louis who originated idea. Mayor John A. Seaford and City Commissioners J. Cyril Glover and Warren Troup autographed several covers, adding to their appeal to collectors.

OUTLINE FOUR LAMING - Paul Carpenter of Hyde Construction Co., right, contractors for four-lane U.S. 90 from Bay St. Louis west to highway coales, displays plans for work to businessmen along route during public meeting last week to explain construction procedure. State Highway Department officials also displayed their specifications.

**Elmer Soase**  
Elmer Soase, a resident of Gulf View Haven for the past two years, died at 7:45 Tuesday at Hancock General Hospital.

The body was sent from Reimann's Fahey-Whitfield Funeral Home to Madison, Fla. for funeral services and interment.

## In flower show

### Baron, Baxter, Russells tops

Mrs. Robert Baron won the horticulture competition prize for the 19th annual year with Mrs. Dan M. Russell, Jr., again took up honors in the horticulture division of Bay-Waveland Garden Club's spring flower show last Thursday and Friday.

The tri-color in the high school arrangement division went to Dale Russell, daughter of U.S. District Judge and Mrs. Russell. Topping the junior was Laurie Barker, daughter of Mr. and Mrs. J.C. Barker, Jr., who have recently moved back here from Texas.

The show was staged at the Webb Community Center where the Etoile art exhibit of the Garden Club government was also in progress, giving visitors an added attraction. Mrs. Barker, show co-chairman with Mrs. Russell, reported that despite the heavy rain Thursday the event drew the largest participation of club members yet recorded.

Best of show, winning competition with 12 blue ribbons in horticulture, Mrs. Barker's

girl, Laurie Barker, won the tri-color in the show.

Mrs. Russell was the arrangement tri-color with her entry in Tachyon of the August Moon. Her interpretation of the World, I want to Get On was the special creativity award.

All the World's A Stage was the theme of the show with Broadway themes used for the arrangement classes. These are the club winners:

My Fair Lady—Mrs. Barker and Sallinger, blue; Mrs. Barker, red; The Pleasure of His Company—M r a. Sallinger, blue; Mrs. Paul Miller, red; Mrs. Joseph Vignarile, Jr., yellow; Mrs. Harry Ward, white; Tachyon—Mrs. Russell, blue; Mrs. J.E. Ervin, red; Mrs. Miller, yellow; Mrs. Alvin Moore, white; The Green Pigeon—Mrs. Miller, blue; Mrs. Ervin, red; Blinks Spirit—Mrs. Ben Hill, Jr., white.

What's Delight—M r a. Sallinger, blue; Mrs. Russell, red; Mrs. Rene de Montalban, white; The Subject Was Romance—Mrs. Russell, blue; Aracane and Old Lace—Mrs. Russell, blue; Mrs. Sallinger, red; Mrs. Miller, yellow; Mrs. de Montalban and Mrs. Miller, white; Bye Bye Birdie—Mrs. Sallinger, blue; Mrs. Russell, red; Mrs. Miller, white.

In the high school design division, winners were:

Junior Miss—Dale Russell, blue; Ann Morlan, red; Dobby Wicks, white; Sweet Bird of Youth—Nancy Sordo, blue; Mary Jane Chapman, red; Kathleen Maloney, yellow; Please Don't Eat the Daisies—Dale, b l u e; Hay Fever—Susan Scroggs, blue; Mary Jane Chapman, yellow; Elinor Turnip-

seed, white; Back to the Moon—Dale, blue; Elinor Moore, red; Sweet Bird of Youth—Nancy Sordo, blue; and the tri-color, Laurie Barker, yellow and Nancy Sordo, white.

Among the juniors, Laurie Barker was blue ribbon and the tri-color with her Hello, Dolly. Lolita Williams was a white in this group. Others were Blacoon Time—Joan Sallinger, blue; Laurie Barker, red; Kathy Simpson, yellow and Gusto Holcomb, white; My Three Angels—Candy Sargis, blue; Mary Ellen Dolan, red; Jane Penaguy, yellow; and Neal Phillips, white; The Children Hour—Joan Sallinger, blue; Laurie Barker, red; Anne Robinson, yellow; and Cynthia Wolfe, white.

Blue ribbons in horticulture went to Mrs. Barker, Russell, H.D. Ogden, Harold Hahn, Robert Gray and R. E. Moore. High school blues in horticulture went to Mary Jo Hurley and Nancy Sordo.

The accredited judges were: Mrs. Alvin Moore, George B. Jones, Joseph Sargis, A.H. Williams, Paul G. Morris and Richard Powers, all of New Orleans.

## Sodality names Mrs. Markey as new prefect

Mrs. David Markey assumed duties of Prefect of Sodality of Our Lady of St. Clare's Parish, Waveland, last Tuesday replacing Mrs. Ed. LeVasseur, who has moved away.

After an opening devotional by Mrs. Markey's children, a report on the trip to Mississippi Test Facility was rendered by Mrs. E.G. Francis. A trip to the County Home

on April 6 was reported upon by Mrs. Sterling Balbold. Those accompanying Mrs. Balbold were Mmes. David Markey, Mary Barry, E. G. Francis, Daniel LaRoy and Edward N. Condy.

Scheduled May activities include monthly communion at 7 a.m. on Sunday, business session, 1 p.m. Tuesday, May 10 and luncheon, 12 noon to 3 p.m. on Wednesday, May 11. Both the latter in the Parish Hall.

## City Echoes

Mr. and Mrs. Charles Steers and family have returned from Miami where they were to visit the Colombian Consulate to obtain visas for entry to Bogota where he has been assigned to a managerial position in the financial department of General Electric Co. Colombia, the end of this month, Mrs. Steers and the family will follow after school closing in June.

Alfred (Junior) Geffrey has been moved from Hancock General Hospital to Veterans Administration Hospital in New Orleans. Mrs. Carmelita Sawyer, mother of Alfred, is in charge of his care.

Refreshments and games were enjoyed at Hamilton Guard performed with a half-hour magic show. Church Episcopal Day School kindergarten class played host to a class from Agnes Bayou School for Five from Gulfport, last Wednesday morning.

Four members of the graduating class at Bay High School will be honored by their mothers at a tea Sunday afternoon at the home of Mrs. Dan M. Russell, Jr. Honorees will be Misses Betty Adams, Lorraine de Marquis, Betsy Hill and Dale Russell. Hosts with Mrs. Russell will be Misses Howard Adams, Rene de Marquis, Jr., and M. L. Hill. Girls in the senior class at Bay High and a few other close friends are being invited for the occasion.

Mrs. C.R. Boyer, secretary of the Hancock County United Fund, was in Jackson last Wednesday for a state-wide United Giving Fund meeting and attended a seminar on office procedures.

Mrs. Walter Cox, Jr., was in Jackson over the weekend to visit her son and daughter-in-law, Mr. and Mrs. Walter Cox, III, and their two children.

Miss Susan Schweigman, whose marriage to Stephen Mark Schweigman, Jr., will take place this Saturday in New Orleans, entertained with a luncheon Sunday at the home of her parents, Misses Janis Eble, Judy Marada and Christine Spence and Mrs. Donald Compagno. Sharing honors were her mother, Mrs. Enoch LaRoy, Mrs. Sheldon Schweigman, mother of the groom-to-be, and Miss McRietta Eble, her aunt.

**DO WE WANT INDUSTRY  
IN HANCOCK COUNTY?**

**IF** the answer to this question is **YES**

**THEN- WE URGENTLY NEED AN ADEQUATE AIRPORT  
AND A MODERN PORT FACILITY**

Without an adequate airport facility there can be no inducement for industry to come into our area. One new industry which recently moved to Harrison County located there because of an available airport facility.

The Gulf Coast has started to grow industrially. We only have to look to our neighbors in Harrison and Jackson Counties--- and their use of the authorized gasoline tax--- for experience in bringing industry to the Coast.

Their projects have been successful. There is no reason why Hancock County cannot be as successful. THERE NEED BE NO INCREASE IN TAXES.

nelly, slated for June arrival, will be... no wonder when they will call the new relation?

**Too prompt**

Gertrude Stinson looked cunning in an off white spring outfit when she arrived at the Friends of the Library tea in celebration of National Library week... there was only one thing wrong... she was there exactly one hour and one-half early for the affair! And just how did we know??? We just happened to make the same mistake!

Mrs. Joseph Kelly is certainly the answer to just about everybody's prayer as far as charitable drives are concerned. Her latest was a nice for \$100 donation to the Cancer Fund. Dr. M.L. Dodson to donations chair for drive; Mrs. Dodson, his leg 'man'.

**Animal notes**

This is one item we hope to be forced to mention... just the thought of the lowest form of human life, an animal palcosier, being in our midst is disgusting and when we're told how she has killed a number of dogs in the Carroll Avenue-de Montluzin Street vicinity, it's even worse... it could be someone we know... although we hope not. The canine murderer is using strychnine and, as anyone purchasing poison is forced to sign for the lethal dose, it really shouldn't take too much detective work to come up with the name of the guilty party. Dr. Bob Akers has spent several sleepless nights oving some near victims, but for a number of others, it's been too late. Who ever you are, we can only hope you'll pay for your crimes in one way or another... if you have one ounce of decency, you'll realize that killing someone's pet by the crudest possible means, is more than barbaric, it's also immoral. Dogs and cats can be nuisances, but if a complaint to the owner isn't effective, call the city police and have them impounded... at least death in the gas chamber is painless... and just remember, a small child can, and will on occasion, eat anything it happens to find!

**Get well soon**

Get well wishes are on the way to accident victims George de Benedetto, con Laz, George Hammer and Johnny Brelaud... all either seriously or partially injured in a US 90 accident last Friday night.

Gloria (Mrs. Herbert) Peterson is also due a get well wish. Gloria had major surgery, roughly five hours worth, at Hancock General last Tuesday.

Jane (Mrs. Brewster) Molero is at home again after having surgery on the same day. She and husband Brewster were badly scorching for the newest

FATHER BAMBRICK ADMINISTERS 1ST COMMUNION  
(Photo by Ed. Fayard, Jr.)

**1st communion made by 27 at St. Clare's**

Twenty-seven first grade age children received their first communion during the 9 a.m. mass Sunday at St. Clare's Catholic Church in Waveland.

Rev. Kevin Bambrick, pastor, celebrated the mass. Altar boys for the service were Roy Rosignol and Jack DeBlanc.

Making their first communion were Lisa Borgeas, Patricia Bunch, Rita Fawcett, Robin Garcia, Susan Garo, Owen Klein, Shann, Noonan, Tina Peterson, Carolyn Russell, Susan Stouffer, Yun Diela Asher, Kimberly Watkins, Laura Whitman, Mary Whitman, Julie Donaway, Patricia Yarbrough, John Broolin, Kenneth Fawcett, Alan Garcia, Lucien Ge., Mark Longfield, Otto Molere, Mark Pitta, Frank Schoof, Mark Stota, Andrew Winner and Ronald Reighler.

Members of their family cheer her return from the hospital... it wasn't that Jane was in the maternity ward... their car just had hit her.

John and Speedy Rhodon, and two children, spent last week with his parents, Mrs. and Nellie. Speedy participated in an weight lifting contest in the Crescent City over the week-end.

Most belated get well wishes are on the way to Pat and Larry Smith's youngest, Mabel Alfede, who suffered a fractured skull when she fell out of bed a couple of weeks ago.

Pat's mother, Mrs. Ruth Luwich, has also been feeling somewhat under the weather.

Visiting Shirley and Arch Whitlow and her parents, Mr. and Mrs. L.D. Pearson, last week was Arch's mother, Mrs. Whitlow was coming to her home in New Springfield, Ill. after wintering at the home of her daughter in Tucson, Ariz.

Mrs. E. Bourgeois returned home last week after spending seven weeks on the coast of Mr. and Mrs. P. Collins in New York. The Collins are here and will spend the summer months with Mr. and Mrs. Bourgeois at their home at 200 Jeff Davis Avenue.

**SIGHTS AND SOUND: A-LONG THE WAY** - For brown birds sitting in and out of their little dust baths along almost every street; colorful purple, gold and pale pink weeds blooming along the railroad tracks; the Main Street grey and black cat making another of it's numerous daily suicidal dashes between passing cars and the sound of muffled horns care booming all over town... through no fault of drivers... the motto seems to be a muffer in the morning, gone with the tail pipe by night!

## In 2nd annual JFK regatta

# Hamilton is victor

Robert L. Hamilton, Jr., of Bay St. Louis, former Bay-Waveland Yacht Club team captain, captured the Naval Academy regatta trophy on April 9 in the second annual John F. Kennedy Memorial regatta off Annapolis, Md.

The two-day intercollegiate regatta called in the Naval Academy's 44-year-old regatta, drew a field of ten of the country's top colleges, the other nine finishing in the following order: University of Rhode Island, Southern California, Stanford, Princeton, Massachusetts Institute of Technology, Marchant Marine Academy, Wisconsin, Wayne State University and Tulane.

In the second day's racing, the Middle came from behind sailing almost faultlessly to win the first two races and finish fourth in the finale, a light-air race won by Princeton, to beat out hard-fighting Rhode Island 38 to 35. Navy's record was 4-1-1-4, Rhode Island 1-3-7-2.

Hamilton's crew included Midshipmen M.T. Korber, J.S. Beachy, S.L. Case, A.K. Sloan, H.G. Alton, D.D. Vaughn and D. Halberstadt.

Presentation of the trophy was by Senator Edward F. Kennedy (D., Mass.) who, after recalling President Kennedy's close connection with the Navy, calling and his great love of the sea, said "I am particularly delighted to present to the Naval Academy crew, for its forthright and winning efforts, this trophy." The trophy was received by first classman Hamilton.

The event was attended by

such dignitaries as Naval Academy Superintendent, Rear Adm. Draper L. Kaufman; Lt. Cmdr. James O. Saul, executive officer of the Naval Station, Baltimore, Md.; Capt. Randolph Meade, USN, vice commander of the Naval Academy Sailing Squadron, and hundreds of others. The regatta was kicked off by a banquet hosting all participants including Capt. Otto R. Calk, Jr., commander of the Naval Academy Sailing Squadron.

Hamilton was graduated from Bay High in 1952 and he graduated from Naval Academy June 4.

In June, 1951, Hamilton was the Sailing Eliminator for juniors under 10 at Bay-Waveland Yacht Club. Hamilton took top honors in the semi-finals at St. Petersburg, Fla., with the same crew, receiving a "have's welcome" at BWYC upon their return.
